W: Could you please give me information on airfares / from Miami to Bellingham, Washington? We'd like advice / on how to fly as cheaply as possible.

M: Let's see... I won't advise you /to pay the normal one-way economy class fare /of \$555. If you can fly on a Tuesday or Wednesday /and buy your tickets at least 21 days in advance, /I suggest you book a round-trip excursion flight.

W: But we may not need the return tickets.

M: That's alright! Even if you don't use them, /you should be able to save \$89 over the one-way fare. Of course, /I'd recommend early booking. You ought to try to reserve the Super Saver seats. There are only a few of them /and they are 50% cheaper than the others.

W: That sounds like a good idea.

M: Wait, /to save another hundred dollars or so, / why don't you book a flight to Vancouver, Canada?

W: But that's farther than where we want to go.

M: I know, but you can take a bus /from Vancouver back to Bellingham /and still save money. And if you are traveling with children, /you might be able to get a discount / if you fly economy class. But they don't get any discount. But to take advantage of the airline's guarantee fare policy, /you'd have to make reservations /and pay for your tickets /at least 6 weeks in advance. Shall I begin the search for available seats?

W: No, thank you.

M: Excuse me?

W: I may call you back / if we don't decide to drive.
